### Paving the Way for New Trade Opportunities

On January 22, 2025, adding yet another esteemed name to our expanding list of partnerships, the **FORE Centre for Political Leadership and Governance (FCPLG)** inked an MoU with the **BRICS Chamber of Commerce & Industry (BRICS)** to boost trade, capacity building, and knowledge sharing. The MoU was formally signed by Dr. Abhay Anand Tiwari, CEO at FCPLG, and Mr. Sameep Shastri, Vice Chairman at BRICS.

The new collaboration sets the stage for a number of exciting initiatives, from exchanging economic, trade, and investment-related information through newsletters and other publications to developing specialized certified courses

Over the course of two years, FCPLG and BRICS will also identify potential areas of import and export and hold joint meetings to review progress. We look forward to a fulfilling partnership, one that takes our vision and mission to new heights.
