

Visionary CSR Dialogue Held at FCPLG with Dr. Bhaskar Chatterjee and Prof. (Dr.) Abhay Anand Tiwari

A significant and visionary interaction was held on 18th May 2026 at FORE Centre for Political Leadership and Governance (FCPLG) as the Father of CSR in India and Former IAS Officer, Dr. Bhaskar Chatterjee, visited the institution and met with the CEO of FCPLG, Prof. (Dr.) Abhay Anand Tiwari.

The meeting marked an important step towards strengthening the role of Corporate Social Responsibility (CSR) in driving sustainable social development and institutional growth. During the interaction, both dignitaries engaged in meaningful discussions focused on departmental development, enhancing the reach and effectiveness of CSR initiatives, and creating a larger impact in the field of social welfare across the country.

The deliberations emphasized the importance of collaborative efforts in promoting sustainable development, effective implementation of welfare policies, and socially responsible initiatives that contribute to nation-building. Special attention was given to the role educational and leadership institutions can play in shaping inclusive growth models and empowering communities through impactful CSR activities.

FCPLG reaffirmed its commitment to becoming a leading platform for policy advocacy, governance innovation, and social transformation. The institution aims to work towards initiatives that not only strengthen social welfare frameworks but also inspire positive societal change at the grassroots level.

The interaction concluded with a shared vision of fostering meaningful partnerships, encouraging community empowerment, and building a stronger and more inclusive future for society through strategic CSR engagement and sustainable development practices.
